9. We welcomed the announcement by the Government of the DRC, under the authority of H.E. Mr. Joseph Kabila, on the launch of military operations against the FDLR, conducted by the *Forces armées de la République démocratique du Congo*, with the support of the United Nations Organisation Stabilisation Mission in the Democratic Republic of the Congo (MONUSCO) in agreement with the relevant resolutions of the UN Security Council, the decisions of the AU Peace and Security Council and that of the ICGLR and SADC. We urged the Government of the DRC to carry out these operations in strict observance of the human rights of civilian populations in the affected areas.

10. We commended the efforts of MONUSCO and its Force Intervention Brigade (FIB) in neutralizing all the negative forces including the FDLR. We expressed our appreciation and gratitude to the FIB TCCs for their sacrifices and their continued commitment.

11. We noted with concern that there were still many challenges to overcome in the implementation of the PSC Framework since its signing nearly two years ago, including the slow progress in the implementation of the Nairobi Declarations of 12 December 2013 occasioned by the parties, the continued presence of illegal armed groups in eastern DRC, and the violence and human rights violations they perpetrate against innocent civilians.

12. We expressed our deep concern over the current security situation in eastern DRC, especially in the Beni area of North Kivu, due to the continued presence of armed groups which has resulted in the brutal killing of over 250 civilians, including women and children. We further condemned the attack carried out in Burundi by an unidentified armed group on 30 December 2014.

13. We called for investigations by the UN High Commissioner for Human Rights in relation to the killings and violence in and around Beni, and urged the Government of the DRC and MONUSCO to take decisive actions in order to neutralize all hostile forces in eastern DRC in accordance with the decisions taken by the region and the UN Security Council.

14. We deplored the persistence of violence against women and young girls and stressed the need to strengthen legislative and judicial mechanisms to fight impunity.

15. We noted the need for an increase in the number of projects that can contribute significantly to the economic development of eastern DRC and the region and urged the World Bank and other multilateral financial institutions to continue efforts in cooperation with the UN Country Teams and Regional Agencies and the Office of the Special Envoy of the Secretary-General for the Great Lakes region in this regard.

16. We urged the Government of the DRC with the support of MONUSCO to continue its efforts to extend state authority to all areas in eastern DRC, and to further strengthen security and judicial institutions. 17. We re-emphasized the commitment by all signatory countries to neither harbour nor provide protection of any kind to persons accused of war crimes, crimes against humanity, acts of genocide or crimes of aggression, or persons falling under the UN sanctions regime.

18. We noted the lack of commitment by the FDLR to comply with the decisions of the Security Council and the region. We underscored the need to neutralize the FDLR and all other armed groups as a top priority in order to support stability in the DRC and the wider Great Lakes Region.

19. We recalled the relevant provisions of UN Security Council Resolutions 2098 (2013) and 2147 (2014), and further welcomed the Security Council Presidential Statement of 5 November 2014 which expressed deep concern over the lack of progress in the voluntary disarmament process of the FDLR, as assessed by the Joint ICGLR and SADC communiqué of 20 October 2014.

20. We commended the Guarantors of the PSCF for the meeting on 1 December 2014 in Addis Ababa to assess the situation of armed groups and the decision to forge a common position to resolve all issues relating to the implementation of the PSC Framework Agreement, including the neutralisation of illegal armed groups.
