France: draft resolution

The Security Council,

Recalling its previous resolutions and the statements of its President concerning the Democratic Republic of the Congo (DRC),

Reaffirming its strong commitment to the sovereignty, independence, unity and territorial integrity of the DRC as well as all States in the region and emphasizing the need to respect fully the principles of non-interference, good neighbourliness and regional cooperation,

Stressing the primary responsibility of the Government of the DRC for ensuring security in its territory and protecting its populations with respect for the rule of law, human rights and international humanitarian law,

Taking note of the interim report (S/2015/797) and the final report (S/2016/466) of the Group of Experts on the DRC ("the Group of Experts") established pursuant to resolution 1533 (2004) and extended pursuant to resolutions 1807 (2008), 1857 (2008), 1896 (2009), 1952 (2010), 2021 (2011), 2078 (2012), 2136 (2014) and 2198 (2015), noting the finding that the linkage between armed groups, criminal networks and illegal exploitation of natural resources contributes to the insecurity in eastern DRC, and taking note of their recommendations,

Recalling the strategic importance of the implementation of the Peace, Security and Cooperation (PSC) Framework for the DRC and the region, and reiterating its call to all signatories to fulfil promptly, fully and in good faith their respective commitments under this agreement in order to address the root causes of conflict and put an end to recurring cycles of violence,

Recalling the commitments under the PSC Framework by all States of the region not to interfere in the internal affairs of neighbouring countries, and to neither tolerate nor provide assistance or support of any kind to armed groups, and reiterating its strong condemnation of any and all internal or external support to armed groups active in the region, including through financial, logistical or military support,

Reiterating its deep concern regarding the security and humanitarian crisis in eastern DRC due to ongoing military activities of foreign and domestic armed groups and the smuggling of Congolese natural resources, in particular gold and ivory, stressing the importance of neutralizing all armed groups, including the Democratic Forces for the Liberation of Rwanda (FDLR), the Allied Democratic
Forces (ADF), the Lord’s Resistance Army (LRA), and all other armed groups in the DRC, in line with resolution 2277 (2016).

Reiterating that the durable neutralization of the FDLR remains essential in bringing stability to and protecting civilians of the DRC and the Great Lakes region, recalling that the FDLR is a group under United Nations sanctions whose leaders and members include perpetrators of the 1994 genocide against the Tutsi in Rwanda, during which Hutu and others who opposed the genocide were also killed, and have continued to promote and commit ethnically based and other killings in Rwanda and in the DRC, noting the reported military operations undertaken by the Congolese Armed Forces (FARDC) in 2015 and 2016 which have resulted in some destabilization of the FDLR, expressing concern that these operations have been carried out simultaneously with Congolese Mai Mai groups, welcoming the initial resumption of cooperation of the FARDC with the United Nations Organization Stabilization Mission in the DRC (MONUSCO), and calling for the full resumption of cooperation and joint operations, in accordance with MONUSCO’s mandate.

Condemning the brutal killings of more than 500 civilians in the Beni area since October 2014, expressing deep concern regarding the continued threat posed by armed groups, in particular the ADF, and the persistence of violence in this region, further expressing concern at reports of collaboration between elements of the FARDC and armed groups at a local level, in particular recent reports of individual officers of the FARDC playing a role in the insecurity in the region of Beni, calling for investigations in order to ensure that those responsible are held to account, noting the commitment expressed by the Government of the DRC in its letter of 15 June 2016 (S/2016/542).

Reaffirming the importance of completing the permanent demobilization of the former 23 March Movement (M23) combatants, stressing the importance of ensuring that its ex-combatants do not regroup or join other armed groups, and calling for the acceleration of the implementation of the Nairobi Declarations and of the Disarmament, Demobilisation, Repatriation, Reintegration and Resettlement (DDRRR) of M23 ex-combatants, including by overcoming obstacles to repatriation, in coordination with the regional States concerned.

Condemning the illicit flow of weapons within and into the DRC, including their recirculation to and between armed groups, in violation of resolutions 1533 (2004), 1807 (2008), 1857 (2008), 1896 (2009), 1952 (2010), 2021 (2011), 2078 (2012), 2136 (2014) and 2198 (2015), and declaring its determination to continue to monitor closely the implementation of the arms embargo and other measures set out by its resolutions concerning the DRC.

Acknowledging in this respect the important contribution the Council-mandated arms embargo makes to countering the illicit transfer of small arms and light weapons in the DRC, and in supporting post-conflict peacebuilding, disarmament, demobilization and reintegration of ex-combatants and security sector reform.

Underlining that the transparent and effective management of its natural resources and ending illegal smuggling and trafficking of such resources are critical for the DRC’s sustainable peace and security, expressing concern at the illegal exploitation and trafficking of natural resources by armed groups, and the negative impact of armed conflict on protected natural areas, commending the efforts of the
DRC park rangers and others who seek to protect such areas, encouraging the Government of the DRC to continue efforts to safeguard these areas, and stressing its full respect for the sovereignty of the Government of the DRC over its natural resources and its responsibility to effectively manage these resources in this regard.

Recalling the linkage between the illegal exploitation of natural resources, including poaching and illegal trafficking of wildlife, illicit trade in such resources, and the proliferation and trafficking of arms as one of the major factors fuelling and exacerbating conflicts in the Great Lakes region, and encouraging the continuation of the regional efforts of the International Conference of the Great Lakes Region (ICGLR) and the governments involved against the illegal exploitation of natural resources, and stressing, in this regard, the importance of regional cooperation and deepening economic integration with special consideration for the exploitation of natural resources,

Noting the Group of Experts' findings that there have been positive efforts related to the minerals trade and traceability schemes but that gold remains a serious challenge, recalling the ICGLR's Lusaka Declaration of the Special Session to Fight Illegal Exploitation of Natural Resources in the Great Lakes Region and its call for industry due diligence, commending the ICGLR's commitment and progress on this issue and underscoring that it is critical for regional governments and trading centres, particularly those involved in gold refining and the gold trade to intensify efforts to increase vigilance against smuggling and reduce practices that could undermine the DRC and ICGLR's regional efforts.

Noting with concern reports indicating the continued involvement of armed groups, as well as some elements of the FARDC, in the illegal minerals trade, the illegal production and trade of charcoal and wood, and wildlife poaching and trafficking.

Noting with great concern the persistence of serious human rights abuses and international humanitarian law violations against civilians in the eastern part of the DRC, including summary executions, sexual and gender-based violence and large scale recruitment and use of children committed by armed groups.

Stressing the crucial importance of a peaceful and credible electoral cycle, in accordance with the Constitution, for stabilization and consolidation of constitutional democracy in the DRC, expressing deep concern at increased restrictions of the political space in the DRC, in particular recent arrests and detention of members of the political opposition and of civil society, as well as restrictions of fundamental freedoms such as the freedom of expression and opinion, and recalling the need for an open, inclusive and peaceful political dialogue among all stakeholders focused on the holding of elections, while ensuring the protection of fundamental freedoms and human rights, paving the way for peaceful, credible, inclusive, transparent and timely elections in the DRC, particularly presidential and legislative elections by November 2016, in accordance with the Constitution, while respecting the African Charter on Democracy, Elections and Governance,

Remaining deeply concerned by reports of an increase in serious human rights and international humanitarian law violations committed by some members of the FARDC, the National Intelligence Agency, the Republican Guard and Congolese National Police (PNC), urging all parties to refrain from violence and provocatio
as well as to respect human rights, and emphasizing that the Government of the 
DRC must comply with the principle of proportionality in the use of force,

Recalling the importance of fighting against impunity within all ranks of its 
security forces, and stressing the need for the Government of the DRC to continue 
its efforts in this regard and to ensure the professionalism of its security forces,

Calling for all those responsible for violations of international humanitarian 
law and violations or abuses of human rights including those involving violence or 
abuses against children and acts of sexual and gender-based violence, to be swiftly 
apprehended, brought to justice and held accountable,

Recalling all its relevant resolutions on women and peace and security, on 
children and armed conflict, and on the protection of civilians in armed conflicts, 
also recalling the conclusions of the Security Council Working Group on Children 
and Armed Conflict pertaining to the parties in armed conflict of the DRC 
(S/AC.51/2014/3) adopted on 18 September 2014,

Welcoming the efforts of the Government of the DRC, including the 
Presidential Adviser on Sexual Violence and the Recruitment of Children, to 
cooperate with the Special Representative of the Secretary-General for Children and 
Armed Conflict, the Special Representative of the Secretary-General on Sexual 
Violence, and MONUSCO, to implement the action plan to prevent and end the 
recruitment and use of children and sexual violence by the FARDC, and to combat 
impunity for conflict-related sexual violence, including sexual violence committed 
by the FARDC,

Noting the critical importance of effective implementation of the sanctions 
regime, including the key role that neighbouring States, as well as regional and 
subregional organizations, can play in this regard and encouraging efforts to further 
enhance cooperation,

Underlining the fundamental importance of timely and detailed notifications to 
the Committee concerning arms, ammunition and training as set out in section 11 of 
the Guidelines of the Committee,

Determining that the situation in the DRC continues to constitute a threat to 
international peace and security in the region,
